Authorization to Administer Topical Ointments**

This form must be completed by the parent/guardian before any topical ointments are administered. Place this form in the child's file and maintain a copy in the class log.

The Illinois Department of Children and Family Services requires that any use of Center provided ointment, such as Desitin or Neosporin, be approved by a parent/guardian prior to use. A Desitin-type ointment is available for diaper rash and a Neosporin-type ointment is available for cuts and scrapes. Please indicate "Yes" may use, or "No" may not use, below and complete the form. Thank you.
